NSW Government Levy - to be charged in addition to the above pricing - including NACS

The Interment Services Levy is a charge applied to interment services to fund Cemeteries and Crematoria NSW (CCNSW). The levy is applied at the time the interment service is provided—whether it be a burial, ash interment, or cremation—regardless of when it was purchased. This means that if a service was purchased before 1 July 2024, but the burial, cremation, or ash interment takes place on or after 1 July 2024, the levy will still apply.

- \$45.10 per cremation
- \$69.30 per ash interment
- \$171.60 per burial
